b) (1) Except as provided in subdivision (c), before any sale of property can be made under the power of sale contained in any deed of trust or mortgage, or any resale resulting from a rescission for a failure of consideration pursuant to subdivision (c) of Section 2924h, notice of the sale thereof shall be given by posting a written notice of the time of sale and of the street address and the specific place at the street address where the sale will be held, and describing the property to be sold, at least 20 days before the date of sale in one public place in the city where the property is to be sold, if the property is to be sold in a city, or, if not, then in one public place in the judicial district in which the property is to be sold, and publishing a copy once a week for three consecutive calendar weeks, the first publication to be at least 20 days before the date of sale, in a newspaper of general circulation published in the city in which the property or some part thereof is situated, if any part thereof is situated in a city, if not, then in a newspaper of general circulation published in the judicial district in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the city or judicial district, as the case may be, in a newspaper of general circulation published in the county in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the city or judicial district or county, as the case may be, in a newspaper of general circulation published in the county in this state that (A) is contiguous to the county in which the property or some part thereof is situated and (B) has, by comparison with all similarly contiguous counties, the highest population based upon total county population as determined by the most recent federal decennial census published by the Bureau of the Census. A copy of the notice of sale shall also be posted in a conspicuous place on the property to be sold at least 20 days before the date of sale, where possible and where not restricted for any reason. If the property is a single-family residence the posting shall be on a door of the residence, but, if not possible or restricted, then the notice shall be posted in a conspicuous place on the property; however, if access is denied because a common entrance to the property is restricted by a guard gate or similar impediment, the property may be posted at that guard gate or similar impediment to any development community. Additionally, the notice of sale shall conform to the minimum requirements of Section 6043 of the Government Code and be recorded with the county recorder of the county in which the property or some part thereof is situated at least 14 days prior to the date of sale. The notice of sale shall contain the name, street address in this state, which may reflect an agent of the trustee, and either a toll-free telephone number or telephone number in this state of the trustee, and the name of the original trustor, and also shall contain

the statement required by paragraph (3) of subdivision (c). In addition to any other description of the property, the notice shall describe the property by giving its street address, if any, or other common designation, if any, and a county assessor's parcel number; but if the property has no street address or other common designation, the notice shall contain a legal description of the property, the name and address of the beneficiary at whose request the sale is to be conducted, and a statement that directions may be obtained pursuant to a written request submitted to the beneficiary within 10 days from the first publication of the notice. Directions shall be deemed reasonably sufficient to locate the property if information as to the location of the property is given by reference to the direction and approximate distance from the nearest crossroads, frontage road, or access road. If a legal description or a county assessor's parcel number and either a street address or another common designation of the property is given, the validity of the notice and the validity of the sale shall not be affected by the fact that the street address, other common designation, name and address of the beneficiary, or the directions obtained therefrom are erroneous or that the street address, other common designation, name and address of the beneficiary, or directions obtained therefrom are omitted. The term "newspaper of general circulation," as used in this section, has the same meaning as defined in Article 1 (commencing with Section 6000) of Chapter 1 of Division 7 of Title 1 of the Government Code.

The notice of sale shall contain a statement of the total amount of the unpaid balance of the obligation secured by the property to be sold and reasonably estimated costs, expenses, advances at the time of the initial publication of the notice of sale, and, if republished pursuant to a cancellation of a cash equivalent pursuant to subdivision (d) of Section 2924h, a reference of that fact; provided, that the trustee shall incur no liability for any good faith error in stating the proper amount, including any amount provided in good faith by or on behalf of the beneficiary. An inaccurate statement of this amount shall not affect the validity of any sale to a bona fide purchaser for value, nor shall the failure to post the notice of sale on a door as provided by this subdivision affect the validity of any sale to a bona fide purchaser for value.

(2) If the sale of the property is to be a unified sale as provided in subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, the notice of sale shall also contain a description of the personal property or fixtures to be sold. In the case where it is contemplated that all of the personal property or fixtures are to be sold, the description in the notice of the personal property or fixtures shall be sufficient if it is the same as the description of the personal property or fixtures

contained in the agreement creating the security interest in or encumbrance on the personal property or fixtures or the filed financing statement relating to the personal property or fixtures. In all other cases, the description in the notice shall be sufficient if it would be a sufficient description of the personal property or fixtures under Section 9108 of the Commercial Code. Inclusion of a reference to or a description of personal property or fixtures in a notice of sale hereunder shall not constitute an election by the secured party to conduct a unified sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, shall not obligate the secured party to conduct a unified sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, and in no way shall render defective or noncomplying either that notice or a sale pursuant to that notice by reason of the fact that the sale includes none or less than all of the personal property or fixtures referred to or described in the notice. This paragraph shall not otherwise affect the obligations or duties of a secured party under the Commercial Code.
